

◆ WHO IS PACIFIC META?

Pacific Meta is a Singapore-based company specialising in providing a virtual interactive platform of serious games for healthcare and home-caregiving training.

◆ WHAT ARE SERIOUS GAMES?

Serious Games are virtual interactive games which aren't for entertainment, but aims to bring about learning and behavioural changes.

◆ WHY SERIOUS GAMES ON PACMETA PLATFORM?

By leveraging virtual technology, PacMeta delivers sustainable, scalable and affordable trainings through these serious games which serve to educate learners about procedures safely and effectively.

PacMeta Games:

Mimic actual environment & objects

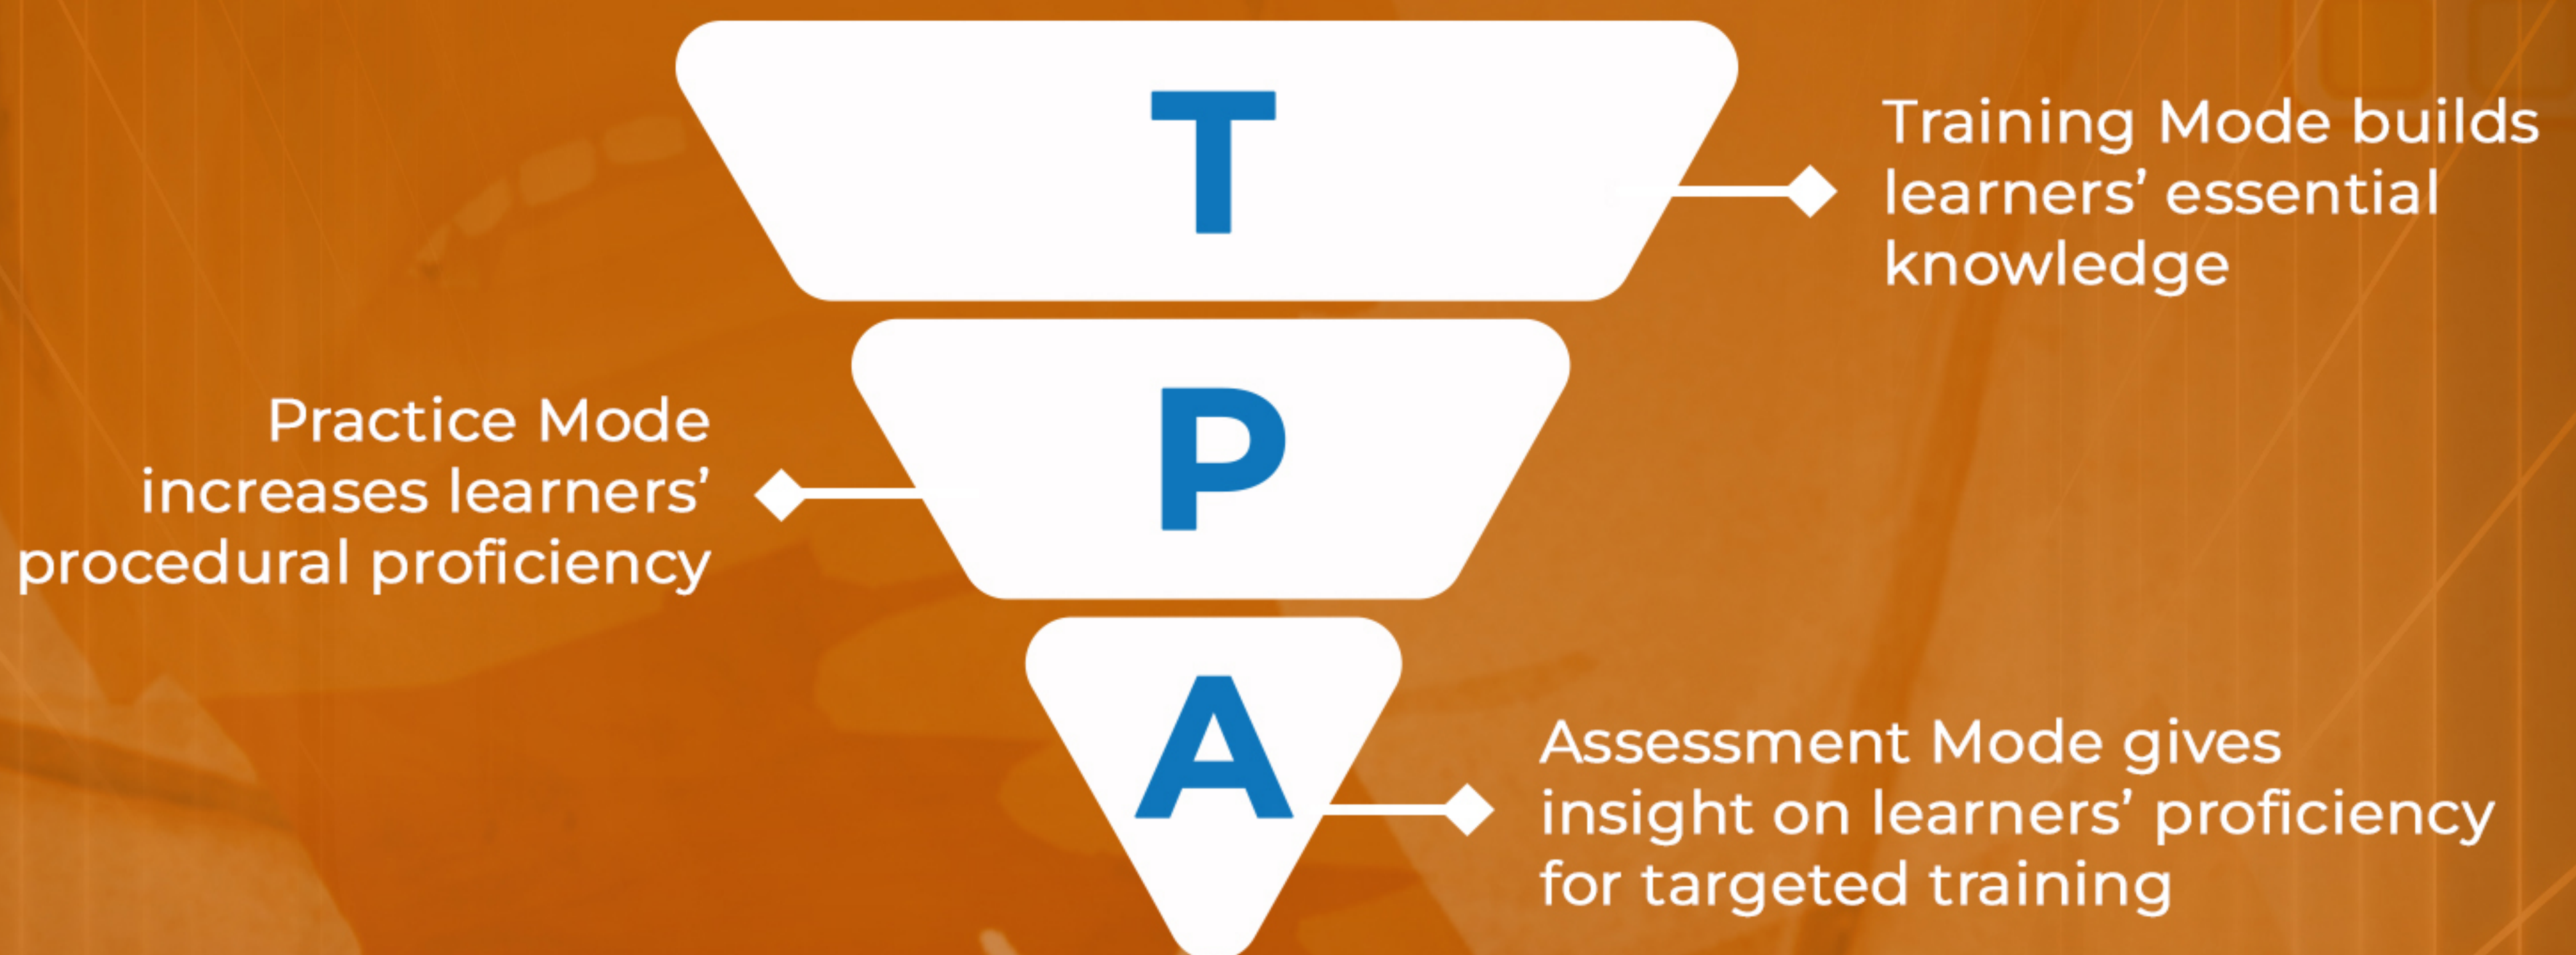

Facilitate practices without compromising care recipients' safety

Bridge learning and implementing learning for optimal performance

◆ PACMETA GAMES CONSISTS OF MULTIPLE MINI GAMES ◆

◆ WHERE CAN THE GAMES BE ACCESSED?

Access and play PacMeta games from the web browser on the computer or download the game apps on mobile devices.

◆ WHEN CAN THE GAMES BE PLAYED?

PacMeta games can be accessed anytime, anywhere as long as there is stable Wi-Fi or data access.

◆ HOW DO THEY BENEFIT?

Most would forget the procedures after a few weeks of training. Repeated practices will allow learners to refresh and revise knowledge gained and procedures learnt, ensuring confidence and competency in carrying out procedures, even in emergencies. Learners will receive e-certificates of achievement in recognition of their training when they demonstrate competency in the procedures learnt.
